

# AN EVOLVING RISK UNIVERSE IN THE AGE OF DISRUPTION: Internal Audit in a Key Role

IIA Hungary International  
Virtual Conference  
15 Sept 2021

The Institute of  
Internal Auditors  
Hungary

The Institute of  
Internal Auditors  
Hungary

We are pleased to announce that IIA Hungary is organizing a really big international exchange of experiences where keynote speakers from 12 countries, 3 continents will share their thoughts on new types of internal control challenges.

If you want to be part of the change, we are looking forward to have you at the conference on **15th of September, 2021**.

## An evolving risk universe in the age if disruption – Internal Audit in a key role

The best and reknown players in the profession can help you find clues as to how Internal Audit can contribute to achieving your corporate goals.

The next international conference of IIA Hungary is organized at the highest technical level, with multidirectional communication possibilities and many more surprises.

More details on the speakers and presentations on the conference website.
